

This material was created based on the YouTube video: “Top 30 Interview Questions - From a recruiters hiring playbook” by Don Georgevich YouTube Channel.

These interview questions and answers for a job will help you to understand what your interviewer is trying to learn from you. You have to consider these are general questions and not specific. For that reason, the questions might be (or not) asked in a Nicaraguan labor context. On the other hand, these questions are very useful to expand your interview competencies and have more effective answer during a professional interview.
